

MTML Fundraising Dinner, Show, & Silent Auction

Metro Toronto Movement for Literacy invites you to a fundraising dinner to support our tutor training. This evening of food and entertainment at the Famous People Players dinner theatre promises to be a warm, relaxing, and entertaining event that will not only help us to support community literacy programs but will help support the wonderful events at the Famous PEOPLE Players Dine and Dream Theatre (see reverse for more information on FPP).

Volunteer literacy tutors are the essence of community literacy programs across Toronto and MTML wants to continue to train them to work with adults literacy learners, one on one, to help them with reading and writing. You can help make that happen. Think of it as a donation to your community, both your local community and the literacy community, with a dinner and a show to celebrate your contribution.
