

MTML Dinner, Show, & Silent Auction

Metro Toronto Movement for Literacy is holding a fundraiser to support our tutor training. This evening of food and entertainment at the Famous PEOPLE Players Dine and Dream Theatre promises to be a warm, relaxing, and entertaining event that will help us to support community literacy programs in Toronto and York Region.

Volunteer literacy tutors are the essence of these community literacy programs and MTML wants to continue to train tutors to work with adult literacy learners. You can help make that happen. Think of it as a donation to your community, both your local community and the literacy community, with a dinner and a show to celebrate your contribution.

Famous PEOPLE Players
